Total	726	1,386	3,858	5,244

Multibrand conversions increase the sales and points of distribution for the second brand added to a restaurant but do not result in an additional unit count. Similarly, a new multibrand restaurant, while increasing sales and points of distribution for two brands, results in just one additional unit count.

(a) Amounts do not reflect 391 International Division multibrand units in operation at the end of the period. There are no multibrand units in the China Division.
